

## Teresa Lillian Hood

June 19, 1961 - January 28, 2026

Teresa Hood, 64, passed away at home surrounded with love by her immediate family after a valiant 6 year battle with cancer, leaving behind a legacy of love, strength, and unwavering devotion. Married to her beloved husband Keith Hood of 46 wonderful years, their life together was a true testament to love, partnership and enduring commitment.

Teresa was a devoted mother to her three daughters—Tiffany, Christine, and Ashley—who were the absolute centerpiece of her life. She also truly adored her grandchildren Bailee, Rylee, and Mason, who brought her endless joy and filled her days with so much love and light. Born in Maryland and raised by loving and devoted parents Charles & Janice Underwood, Teresa was also known to share an extremely close bond with her three sisters Patricia Klipp, Cindy Carroll, and Rena Simmons.

Known for her boisterous personality, talkative nature and infectious spirit, Teresa left a true mark wherever she went and never wavered in her loyalty to those in her life that she loved.

Her memory will forever be cherished in the hearts of those she loved and those who loved her in return.

A special note from Keith:

Teresa,

Thinking back to when we first met and all of the years since then, I can say without a doubt, that I would do it all over again...

Although some times were hard for us, I think I always knew that I could get through anything - as long as I had you. Your love and your belief in me have been there all along to give me hope and confidence, to keep me going strong...and I knew that I could count on you through all that life may send. You were my life, my love, my everything--and my best friend. I LOVE YOU FOREVER!
