“ Very sad to have learned of the news today. Terri and I became very close when she came to the Cumberland, MD area. She took on the task as "Chief cook and Bottle washer" running the local Realtor Board. She had big shoes to fill and took on the task with no one to train her. She did a bang up job and added some stability to a faltering organization. She embraced the position and all the members. She was sorely missed when she went back to NC but I truly understood her decision. Fly high in the sky my friend!! I wish her friends and family my deepest sympathy and wish us all peace.

“ *My heartfelt sympathy is with you Kitty, and with all of Terri's friends and loved ones. I was so shocked to hear of her passing. There really are not words that I can say to bring you comfort right now, but I will pray for you and your family. I hope you can find some peace in your many happy memories, and in knowing she is with you always. I only had the pleasure of meeting your sister on a couple of occasions, but I remember her well. She was someone you just clicked with right away, and never forgot. I have actually spoken of her often over the years. We had so much fun at Brad and Christy's wedding. However, my favorite memory of her was from the Sweeney's one night! I am so glad that I got the privilege of meeting her. She was not on this earth long enough, but rest assured, she won't be forgotten. Thinking of you. RIP Terri
