“ I was so sorry to hear about Terri. I met Brenda and Terri back in grammar school so I knew her a very long time. I wish I had the words to take away some of the family's pain but all I can say is you are all in my thoughts and prayers and I am so sad to hear this. Terri is with her Mom and both are at peace now. I hope the spirit of Christmas can ease some of the pain now. I love you all. Dyanna

“ *I have so many memories with Teri but the best memory I have is Teri always being there for me when I needed advice. She was a very caring person I loved her loving heart. She taught me that I don't need a man to live my life I am capable of running my life without. Man! That was her motto. Lol*
