“ I worked with Tom while I was Maintenance manager at SAFEWAY. Tom was a standup man, a good gentle person and my good friend. Every greeting started with “morning” regardless of time. I could always depend on him to get things done. Tom loved hunting and would take off the first month of hunting season. My deepest sympathies go out to his family. He will be missed and remembered.

So sad we have lost a great one..I had,25 years at Safeway and proud (Very) proud to say he was my boss. He would do anything for you, and did on several occasions. He was truly a gentle giant. I'm so sorry I did not stay in touch more after Safeway.... Funny as it seems sometimes I find my self in a predicament and think back.. What would Tom do. They just don't get any better.....God Bless Brian Simmons
