“ Linda, I am SO sorry for your loss. Tommy was a character and my favorite memory of him was when we were shooting pool down in y'all's basement...many years ago..and I made a shot that stunned him. He said "you bad ain't ya?" and when I answered, "I ain't bad, but the bad don't mess with me", he lost it! He thought that was the coolest thing ever. I have many more memories...as I know you do. Your loss breaks my heart. I love you woman. We have many memories over the years!!
