“ *I still cannot believe you are no longer here with me. My heart is broken and I'm so lost without you. I hope you can rest now, all your worries and sorrows are gone. I know your Momma is squeezing you tight, and your Dad and Craig are happy to see you as well. Watch over our kids and keep them safe. I'll love you forever.*

JC

I married your sister when you were 14 years old, I was so excited to have you as a little brother. You taught my 2 year old son to quote Beastie Boys "You gotta fight, for your right to Party ". You rocked our house with George Thorogood, Bon Jovi and many other classics. Mostly, I just remember the love you had for my family. You lived with your sister and helped raise my children while I deployed for months in the USN. I knew then you would have and love your own family as you eventually would.

Lisa, Mercedes, Kody and Trevor, we are without words to describe your loss. We love you all and know that God will reunite him with Craig as well as Mom and Dad.
