“ *I just learned of Todd's passing. I have not been in touch with Todd or Darlene since the 90s, but I have great memories of Todd (and Darlene) from when they lived on Shirley Blvd and then when they moved to Newburg. Lots of fun times at the Moose too. My deepest sympathies and condolences to Darlene and the rest of Todd's family.*

“ I'm filled with shock and sorrow over the news of Todds passing. I worked on he and Darlenes home a few years ago. It was a challenge and a pleasure at the same time. The two of them were so easy to work for it made it fun to go to work each day. Just a very cool guy! My heart and sympathy goes out to Darlene and the families. Rest in peace Todd.

“ I graduated with Todd 30 years ago. My sincerest condolences for the family, especially his parents, I know the grief of losing a child!  
Todd was always a lot of fun, and from reading the postings, he did not lose his sense of humor. Now he is your angel.

“ *I had the pleasure of working with Todd here as of late. Even though we were miserable he always made me laugh. I know he loved how his wife who would wake up with him every morning and make his lunch as rowdy stole his clothes while he would take a shower! He truly enjoyed every aspect of his life and I admire that. I know he will be missed by all he was truly one of a kind.*

“ Being a longtime neighbor of Todd's has been a blessing. He was always generous, welcoming and opened his and Darlene's home to our family. He was always there to lend a hand no matter the circumstances. I will miss watching our daughter, Calla, take tractor rides with you and her reaching up to hug you. I will miss your banana bread, your friendly waves and you yelling when there was a snake. You will be greatly missed sir!

“ I have many fond memories of Todd, mostly as a younger man. Todd and I both attended Waldorf Christian Academy.

*I can still see Todd with a pair of headphones on his head banging on a set of drums like he was playing live on stage with the song playing in his ears. But he was really at his parents' house. It was fun for me, someone with zero musical talent, to watch him go at it.*

*I have fond memories of watching him play basketball in high school:*

*He would use his left arm and swat opposing player's shots into the stands. I remember him having my back one time when a player from the other team fouled me with a flagrant foul. Todd ran up to that guy and said, "What do you think you are doing?", as he pushed him out of the way! He made me feel good knowing the big guy had my back.*

*Many more memories, but to sum it up Todd was always a good friend to me and I am so sorry to hear he is gone. I will be praying for the family. Matt Gaines*

*Haze, Bill, Suzanne, My thoughts & love are with you along with my prayers, tears. Haze, I had you so much in my heart on Saturday evening even before I knew about Todd. I have had all of you, Bill's family, our family & Darlene's family in my prayers since learning of Todd's death. I will continue to keep you all in my prayers in the days & weeks to come. Today while in the grocery store to pick up a couple items, I saw a tall young man who reminded me of Todd when he was in his 20's. I had to leave the store quickly after than because I had tears remembering him. I am sorry we all had to lose him at such a young age. It is hard to comprehend it. I will be loving you all, thinking about your & will continue to pray for all of you in the days & weeks to come., sister Alda Ruth, Aunt to Suzanne & Todd & Darlene*
