“ I met Tony only once maybe last summer, when his a/c system quit working.He was a very nice and friendly guy and he hit me as a fine young man. I work at A-Plus heating down behind Food Lion,and I often look over at his house and remember him almost every day going up 210.I was shocked and saddened when I saw his picture in the paper and it brought me to tears numerous times during the day Very hard to accept and believe. He was truly a very special man.Very sorry about your loss,bot remember you will surely see him again someday for he has gone to be with The Lord and he is not suffering anymore.May God bless you all and give you strength and peace to get thru this.I will think of him long into the future.Mario.
