

## Traci Ann Renner

May 27, 1965 - September 3, 2021

Traci (DeDominicis) Renner died September 3, 2021 surrounded by family in her Waldorf home following more than two years of fighting breast cancer.

A native of Clinton, Traci was born May 27, 1965 at Malcolm Grow Medical Center. She was the second daughter of John and Ann (Hurley) DeDominicis who preceded her in death in December 2014 and August 1989. She was also preceded in death by her in-laws, Robert and Betsy (Keim) Renner of Chalfont, Pennsylvania in January 2005 and July 2016, respectively.

Traci is survived by her husband, Craig; daughters, Lindsay Renner-Wood and husband, Brian Wood of Frostburg and Kelsey Renner and partner Michael Manzi of Northampton, Massachusetts. She is also survived by her sisters, Maura Betler and husband, Scott of Scottsdale, Arizona and Cara DeDominicis of Austin, Texas, along with brothers, John DeDominicis and wife, Mary of Macungie, Pennsylvania and Michael DeDominicis and wife, Andrea of Atlanta, Georgia. Traci's memory also carries on in many well-loved sisters- and brothers-in-law, nieces, and nephews.

Traci attended and graduated from Surrattsville High School in 1983 where she was class secretary for her entire tenure and from York College of Pennsylvania in 1987. While enrolled at York, Traci and Craig met in bowling class and started dating in December 1984. They got engaged quickly and

were married on June 20, 1987 in Clinton at St. John the Evangelist and lived briefly in Pennsylvania before moving to Waldorf in 1988.

In addition to her large and loving family, Traci's legacy will live on in the hearts of the staff and students at Archbishop Neale School in La Plata. She began volunteering in the ANS library when her daughters were enrolled in elementary school there and began working full-time as the librarian in 2001.

Mrs. Renner, as she was known to hundreds of students and their families over the years, saw the library through the rebuilding process after the 2002 tornado that struck La Plata and destroyed the school completely. She took great care when selecting books with which to line the library shelves and in designing engaging lesson plans and classroom activities for students and proved to be a strong example of the Catholic faith. In 2020, she won the Readers' Choice award for best teacher in the Maryland Independent.

Along with her job at ANS, which she considered more of a vocation, Traci loved spending time with her family — both immediate and extended — entertaining whoever walked through the front doors of her home and taking trips with Craig and the girls. Together, they took long, memorable car trips to Florida, Texas, and frequently to Craig's family near Philadelphia. She loved rooting for the Phillies and she and Craig attended games in Washington and Philly often. Among many other things, Traci loved telling people about the time she sang on stage with Sting, British television, Jane Austen books, tea and dark chocolate.

It is hard to pick what her family and friends will miss most about her. Traci was a warm and loving woman with a presence that filled the room and a laugh to match. She had a sharp and quick wit and often made herself laugh, remarking that she was “the funniest person (she) knew.” She sewed Halloween costumes and crafted handmade paper flowers for Lindsay's

wedding, baked ornate birthday cakes and cooked delicious food in large portions, and taught her daughters both strength and tenderness. She was a unique example of love and generosity and will be missed forever.

There will be a Visitation on Friday, September 10, 2021 from 4-8PM with a Prayer Service at 7PM at Raymond Funeral Service, 5635 Washington Avenue, La Plata, Maryland. There will be a Mass of Christian Burial on Saturday, September 11, 2021 at 11AM at Sacred Heart Catholic Church, 201 St. Mary's Avenue, La Plata, Maryland 20646. The Interment will be on Monday, September 13, 2021 at 11AM at St. Joseph's Catholic Church Cemetery, 4590 St. Joseph Way, Pomfret, Maryland 20675.

The family would like to thank nurse Bev and home health aide Nikki with Hospice of the Chesapeake for their aid in the last weeks of Traci's life.

“ I have a picture of my older brother Joe Klick standing near my front door talking on the phone with Traci getting directions on how to get from my house in Lancaster to hers in Hampshire I think (before GPS). He left our family's holiday gathering some 15 years ago to visit with her. They were in the same grade through school. Probably shared a love for the Phillies. And although I didn't really know Traci personally, I do remember her as my brothers friend. It is my hope that since Joe died 3 years ago, he was there waiting for her to renew their friendship. Craig, Lindsay and Kelsey . . . please know you are in my thoughts and prayers at this tough time.

“ *Dearest Craig, Not really good at words and I apologize...but please know you are all in my thoughts and prayers. Trac will be remembered for her smile, kindness, compassion, laugh and friendship. Many years ago, she was my "mass buddy"...we would attend church on YCP campus. We became friends b/c of you TKE guys...and shared many wonderful memories. She fought a tough battle and did it with such grace. You, your girls and your entire family were her rocks... and she will always be with you. Please, look for the signs...she will send them, without a doubt! You will be consoled by those signs and they will continue to keep you all strong. Many blessings to you and your entire family! She is safe and at peace...no more pain. Love you! Lorie Anderson*

“ *I have many fond memories of Traci. We grew up in the same neighborhood and attended school together from kindergarten through 12th grade. She was the kind of person you could meet once and felt like you knew a lifetime. I will always remember her genuine kindness, beautiful smile and infectious laugh. My condolences to her family. Praying for you all.*

*Growing up in Clinton, MD during the 70's was awesome. The court Traci lived in was the place to be. Very fond memories of playing hide and go seek, freeze tag and so much more. Reconnecting with Traci through Facebook was awesome. Traci and Craig generously gave my son and I box seats to sit with them during a Blue Crabs game. Traci was unapologetic when it came to her views on politics and wanted to make the world a better place, even towards the end. The last chat I had with her, I told her how inspirational she was to me. Her faith to God never wavered during her ordeal. So much so that she made me find my faith again. For that, I will be eternally grateful. Condolences to the family. Traci will be missed.*

*I agree Gary! That court was the place to be! I also remember hiding in their bushes, hanging in the basement and swimming in their pool. Fun times for sure! I reconnected with Traci on Facebook too and I'm grateful for that. She was the same sweet person I remembered and inspired me also. Gone too soon but left a big imprint on this world. She will be missed but not forgotten❤️*

“ *I thing I will remember most about Traci was her infectious smile. Even when John and I were little and driving her crazy in the basement of their childhood home, and even when she was kicking us out of her bedroom, she was still smiling. She acted like she was mad at us, but we all knew she was too sweet to be mad at us. We could always see her laughing as she was yelling get out. □ The world truly lost a bright shining light. I truly feel blessed to have had the opportunity to know Traci. Rest In God's Peace our beautiful Traci. You will be forever missed.*

Craig, Lindsay, Kelsey and DeDominicis family, there are no words to tell you how sorry I am that Traci left us too soon. I pray for comfort and light now and always.*

“ *Most of my memories of Traci came about in the past year and half. We connected on face book fairly regularly. I found we had many things in common. It saddens me that we never really got a chance to know each other better. I feel that I missed out on a beautiful person. My heart goes out to my cousin Craig and all of his family. We have all installed a kind and beautiful lady. RIP Traci 🙏. We'll meet later*
