“ As the two year anniversary of Valerie passing is near I miss being able to call her and hear her comforting voice. Valerie was a rock for me during many painful times, and continued to be a special person in my life. Rest in peace my dear friend.

“ Valerie was a wonderful friend for many years and such a great support when I lost my husband in 2000, I hadn't heard from her for a few years and now know that she is gone. We met when we were living in the same dorm at UMass our freshman year and were Psych majors together. Condolences to the family on the loss of one so dear. Sarah Prince

“ Valerie was one of the sweetest, most caring people I have met. She was always a ray of sunshine in my day. She will be truly missed. May she Rest In Peace.
