“ I have been Ms. Valarie's hairstylist for about 6 years and I'm devastated to find out she has passed away. I actually have been trying to call her since early summer with no response and feared she may have passed away because it was not like her to not return phone calls. I actually decided to Google her and found this page.

Ms. Valarie was one of the kindest people I know and had a heart for loving people. She truly was a woman after God's own heart. I will miss her love, wisdom, and most of all her presence. We may have lost a light in this world, but heaven has gained a wonderful resident. Rest In Heaven ❤️

“ *I knew Valerie as a very capable senior non-commissioned officer in the Air National Guard, some thirty-five years ago. She was honest, generous, and kind. She performed her duties with professionalism, pride, and with a certain dignity. You have probably long forgotten me Nikki, but I remember the care your mother had for your well being and future. You couldn't have had a more loving mother. May she rest in peace.*

“ *Words don't seem adequate enough to express my fondness and admiration for Elder Val. She was a such a gentle warrior; focused in her intercession, disciplined in prayer and worship; but never overbearing or mean to people. She was such a great partner in Ministry and business. She would help everyone if they were willing to do the work. I'm so thankful I got an opportunity to experience her gentle spirit, deliberate teaching, fierce intercession and beautiful worship. With all of Elder Val's talents and knowledge she always remained teachable. She always saw what God could use and do in people and not the negativity people saw in themselves. I can't recall a single time when we were around each other and we didn't giggle about something that only we'd find funny. I'm glad I, like many, got a chance to know Valerie - I'm better because of it. I miss her.*

*Valerie was a Very powerful prayer warrior and a wonderful person. I recall the time she prayed all Night with us at a Shut-in Los Angeles, California at the Church of the late Andre Crouch. She certainly had the gift of Intercession. Love and Hugs to the Family of Valerie. She will be greatly missed.*

“ Praise the Lord everyone, I thank God for a Sister in Christ who did all that she did for the Lord. I will miss you and hold close the person that you were during the time God allowed you to be apart of my life. I always remember when you would be out here in California how you enjoyed the tuna sandwiches at the donut shop around the corner from my home. Love you and we will see each other in God's timing, Pastor Ann, Power To Choose Ministries.

“ Me and my family... we love love love Prophet Valerie. She was full of such wisdom and grace. The keys she taught me about prayer have been invaluable to me. She was truly a beautiful person and mighty Woman of God. I will miss her so much. I don't think these words can even capture how I feel. I will miss her smile and laugh... and cryptic answers 😊. Some will understand what I mean by that, lol. I really will miss her. ❤️🙌💕😭
