I worked with Jan for several years at the bank. I ran into her not too long ago while out running errands and it felt so good to catch up with her. We went to Panera and had lunch and it felt like we had never been apart. She was just a joy to be around. I have been praying for the family but am happy she is with our Lord and Savior and happy as can be. A huge loss for us here on earth but will be joyful to meet up with her in heaven. Continued prayers for Jim and the family. YES she mentioned during our lunch- she was so so PROUD of ALL OF YOU!!!!

“ I met Jan as a customer at the bank. I would run into her at yard sales & craft fairs. She was always full of energy—like the energizer bunny!! She was a nice lady. I was sorry to read of her passing in the newspaper.

“ We met Jan And Jim when we first moved to Maryland in 1987. My Husband Harry signed up for animal rescue. That’s when he met up with Jan at the Humane Society. She was so inspiring and Helped Harry with animals. Harry has been gone for 10 years. But we kept in contact in one way or the other. I loved Jan and her smile lit up the room. She definitely will be missed. Prayers for the family.
