“ *Ginnie, Buddy and there boys lived right behind us when growing up. we shared a lot of family time and fond memories with the entire family. She was a sweet loveable funny lady. Our families did not consider each other as neighbors they were and still are family. Sending love and prayers to the entire Steinbach family. Love Denise*

“ *I met Ginny when I taught her grandchildren at Middleton Elementary. She was so full of life. She laughed all the time. In fact, it also made you smile. She could also sew and each thing was just wonderful. AND her doll collection. I remember her letting me come see them. She sure did have a collection of them. Her family was number 1...always....She will be missed greatly by those who knew her. I know I was lucky to have met her. Rest now Ginny, you sure have earned your wings.*
