

Walter Anthony Brown Jr.

July 26, 1969 - July 1, 2024

With great sadness we share the passing of Walter Brown Jr. of Waldorf, MD, who departed on July 1, 2024, surrounded by his family. Born on July 26, 1969, Walter was a beloved father, grandfather, brother and friend.

Walter was preceded in death by his parents, Mary and Walter Brown Sr. He is survived by his children Brittnee Brown, Rhiannon Brown, Walter Brown III, Austin Brown, and his granddaughter Naomi Vaught. He leaves behind sisters Kim Purdy (John) and Wendy Bland (Jack), and nieces Amber Nelson (Chris), Shelbie Russell (Daniel), Jenna Purdy, and nephew John Purdy Jr. (Abigail).

Walter is dearly missed by his faithful friend and constant companion, Nova.

Walter grew up in La Plata, MD. He attended McDonough High School, participating in the construction vocational technology program. Walter dedicated most of his life to the construction industry, working alongside his father at KWW Brown Corp. Walter built custom homes including his own home and his sisters' homes. He shared his industry knowledge with his children, frequently bringing them along on-site visits.

His passions included cars, football, fishing, and playing cards. He delighted in surprising his family with treasures from his collections, yard sales, or farmers' markets. The unexpected gifts would often be discovered on their porches.

Known for his great sense of humor, Walter was able to relate to an array of people. He regularly regaled friends and family with amusing tales. Walter assumed the role of protector, always ready to lend a helping hand to his

sisters, nieces, nephew, and extended family. He cared for those who could not care for themselves, including stray dogs and animals, never leaving one unattended.

In lieu of flowers, memorial contributions may be made to Hospice of the Chesapeake, 2505 Davis Road, Waldorf, MD 20603 in honor of the wonderful care Walter received.

Friends and Family will be received at Raymond's Funeral Home on Tuesday, July 9th from 2-4 PM and 6-8 PM. A memorial service will follow at 7 PM to celebrate Walter's life. Family and friends are invited to attend and share their memories of Walter.

Rest in Peace, Walter. You will be forever remembered in our hearts.

“Walt is going to be missed. We had many good times he and I. Roller skating and just driving around . He was always looking for a good time and he always found them. I Met Walt when I was 11 and earned the nickname Lampshade from him and his dad due to my name. I will always cherish the memories made with him and his family. Sending love to you all.

“ I knew Walter as we dated twice, once as a teenager, once later in life. We had a lot of memories good and bad. He kept in touch even in recent years and months. He always sent me music videos and jokes and sometimes left me voicemails.... About a month before his passing, he asked me to call him and I never did. I have fond memories of him and I riding in the KWW dump truck all over town to different job sites. A lot of memories in the good ole legend days and staying at mom and pop browns house in Ripley and many memories of us at the J&W market. The last time I saw him was once when he was buying his newest ATV (not long ago) and once at the bank a few months back.. I remember after moving out of his house, he would come to my new place and swim in the river in the early morning hours, and leave flowers on my car. It is hard for me to comprehend this! And although it wasn't always a white picket fence, I will choose to remember the good.

This is sad and heartbreaking!

RIP Walter.

I met Walter in high school. I don't remember how we started hanging out together, but for quite a few years we were together a lot. Walt loved to do things like throw a book at me in class when the teacher wasn't looking so it seemed I was causing a commotion. We took vo-tech together and I believe our friendship grew from there.

Walt was a worker. If on a rare occasion he skipped school, it was to work. If he needed help, our gang, as he called us, would skip, and help him. He even found a way to bring his backhoe to vo-tech so he could get welding done on it during school hours. If you were around Walt, you probably at some point ended up in the dump truck or at a jobsite working with him.

Like any friendship we had our good and bad moments, but I'll choose to remember and talk about the good ones. Walt was street smart and always hustling. I always admired that if you were out with Walter, you didn't know what you may end up doing, where it may take you and who else would be with you. For someone like me that was timid and not wise to the street it was exciting to hang out with Walter.

For the past 25 or more years I only saw Walt on rare occasions like high school reunions or when he would just show up at my house, stay for a few minutes and be on his way to some adventure. I'm sorry that he was ill, and I wasn't able to say so long to him, but I'm sure wherever he ends up he'll be giving them hell!
