“ I first met Walt in the early 70's. We were both involved in SO. MD. REACT and both worked at NAVSEA. He was always there to help when needed, a true friend and supporter of the things he was involved in (REACT, NAVSEA Pistol Club, and local Civil Defense. He greatly enjoyed the shooting sports and we spent many hours shooting together. He was an electronics wizard and could fix most anything! I'm so sorry we lost track of each other these last few years. Rest easy my friend. Frank Fruh
