“ *Warren and I were friends in middle school. He was always very sweet and kind. He even took me on a date when I was 19 years old and was such a gentlemen. Lost contact with him after that, but I will never forget how nice he was and how much fun we all had in Oak Hill on Summer nights just hanging out with the all the teens who lived in that subdivision. God bless his family.*

“ Warren was one of my best friends at Milton Somers and LPHS, in class and when we won SMAC tennis in 10th grade, undefeted season! I remember listening to Steve Miller band and the Stones down at his house in Pomfret and double dating when his parents took us and our dates to Alexandria Skating rink! My Dad, Dr. Johnson was a good friend with Bill Hughes and was really sad when he tragically died. Rest in peace, Warren. God bless you and your family.

“ Leanna...Uncle Bill and I are heartbroken for you in the loss of your Dad. He was so proud of you, and I am sure, as you heal, you will find joy in your memories, and your tears will turn in to smiles. The last time we saw him, your Dad told us that you were the hi-light of his life,and his proudest accomplishment. Live your life as if he is walking beside you, rooting you on to happiness and success. Find your joy, and your Dad will live on through you. You are strong, smart, witty, and artistic...the best combination of your Mom and Dad. We love you, and will always be here to help you in anyway we can. Love, Aunt Deedee and Uncle Bill xoxo

“ Leanna - Our thoughts and prayers are with you and Greg. It is difficult to loose a father and with time the memories will bring smiles instead of tears. Unfortunately we will be unable to make the service but know that you will be on our minds and in our hearts as you greet those who come in honor of your father on the 24th. Love you, Aunt Debbie and Uncle Steve.

“ *Doing OK at times and not at others. Staying busy with making the arrangements and work at the US Naval Academy. He and I were close. This is going to take some time. We lived together off and on for our entire lives and worked building and carpentering and laboring together. Played softball for years on the same team. Shot darts, followed car racing, rode motorcycles together, etc. I have lost my best friend and partner and I miss him greatly.*

Greg...prayers to you. Warren and I were very close friends, and teammates. He always spoke of you and was proud that you played at Woodford! So sorry...Bill Fuller.

Bill Fuller - June 12, 2016 at 10:43 AM

Greg...Bill and I are so sorry for you in the loss of Warren. We have so many great memories of fun times spent together. There were very few of those memories where we weren't with both you and Warren together...softball, darts, camping, parties, the fiddlers convention. They were such good years for all of us. Sadly, in the loss of my brother Kenny, I know all too well how it feels to have that much younger brother in your life, and the emptiness left behind when they are gone too soon. We wish you joy in your memories, and comfort as you adjust to this new normal. Much love to you in the coming days, Bill and Deedee Finisecy

“ Dear Greg & Leanna, I am so sorry to hear about Warren. Leanna I haven't seen you since you were a baby, so you don't know me & Greg, it's been a long time since I saw you & Warren. I live in Colorado, and won't be able to make the service for Warren, but I will be there in spirit thinking of him & praying for you both. Being his cousin, he & I use to play together at our Aunt Lula's house a lot when we were kids. Warren, Tina, David (cousins also) & myself. A lot of fun times growing up. That sure is a great picture of him. Greg, I'm sure this is not only losing your Brother, but a best friend too. You two have been very close over the years, living together, working together, etc. My heart goes out to you & Leanna. I'm sending you both love & hugs & my deepest sympathy, Cindy (Crawford) Crosby, (Cousin)
