“ Out of all of the places I've worked, MRW was definitely my favorite. You always respected my ideas and made me feel an important part of the team. I was in such shock to hear of your sudden passing. I wish peace, understanding, compassion, and guidance to your loved ones in this most difficult time of mourning.

“ Dearest Elia- Remembering, sitting in your back yard on these tree stumps and talking to Wayne. Wayne was saying that you had rolled these tree stumps from the property next to you where they had been cut down. The stumps are pretty heavy and Wayne chuckled about how strong and determined you were to get them, rolling them by yourself all the way over to your yard, how long it took but you got them. You are strong, stronger then you even know. When your children are older, they will look back in awe for how strong their Mom is, as I did with my Mom.
With all my sympathy, Love, Mary

“ *I will dearly miss you, my brother-in-law "Peo"! In my 15 beautiful years of knowing you this little paragraph will never come close to explaining what you meant to me and my family. The memories we have created both here in Maryland and in Panama will never ever be forgotten. You were so loved by my family in Panama and all of us will cherish the times we spent together there. I keep hearing your laughter as we would share moments together. I still feel your presence here at your house and find myself looking for you hoping this is all a bad dream. Just in case they are out of Corona's in Heaven, Stephen and I will share a few in your honor!!!!!!*

I love you Peo, you will always be in my heart and I know that we now have another Angel in Heaven looking out for us.

“ Wayne was my Gym friend and we used to workout together. We did workout on Friday 10 Aug & he was very good in health and smiley as always. He promised me to workout together on Tuesday and to come King George in my restaurant for dinner with his wife and kids on the weekend but today I heard this sad news. I am really shocked and sad. He was a great personality a wonderful person. Condolence to his family from my heart. May god takes good care of him in heaven. Will always miss you Wayne..... Good peoples never dies. You can die physically but you will be in our heart always.
