“ *Mrs. Harmuth,*

I discovered the passing of Wes last week. Since leaving Waldorf to join the Air Force in 1990, I had tried a few times to keep in touch with him. I wish I had tried harder. Your son was always good to me and I will always enjoy the memories I have with him.

“ Brenda and Chris

You should both be so proud of the love and care you gave to Wesley over the years. I wish I could have known him before his accident. Wes was special to me and I cared for him very much as well as for you. I know he is in heaven watching over us as you watched over him for so long. Thank you for letting me part of his life.
