“ *Will was a wonderful, kind soul, always laughing. He was quiet, as he observed and took in all going on around him. He was always a part of the "Licurgo" clan, as he was the direct opposite of Bill Licurgo's outgoing personality. None the less, they were the best of friends. We will always remember his laughter, as well as his generous nature.*

*Be at peace, Will. You will be remembered, always.*

*Love,*

“ We will always remember Will for his quiet, gentle disposition, his honesty, and his generosity. He consistently gave of himself to others, willingly and cheerfully. He did so much for Bobby's parents, even taking time to help Emma after Bill's death. From sports and reading to baby-sitting, he faithfully extended a helping hand wherever needed. He will be missed by all who had the privilege of knowing him.

Godspeed, Will.

Love,  
Bobby & Jenna
