Bill was a true friend to all of our family. He was funny. Loved talking to others about his hobbies, job, cats, etc... We will cherish our card games. We wondered how he would win all the time. He would just show his grin. You will truly be missed by all. God bless you!! Say hi to mom and dad...

I interfaced with Bill as a vendor to DOD IH. I will remember him as a heck of a nice guy (what cat lover isn't?) who just would not quit. If he hit a brick wall with a piece of equipment or software he was using, he'd chip away until he beat it. I'd get emails from him at 4:00 in the morning as he plodded away at a problem. RIP, old friend!
