“ My deepest condolences to the family and friends of Bill. Without a doubt, Bill was the finest Manager I ever had the pleasure of working with during the years I spent working alongside him at the Kane Company. . Always professional and ready to listen to everyone to make every job he touched turn into a complete success. His mild manner and soft spoken words speak volumes for his character. You will always be remembered in my prayers. Rest in Peace and "Thank you for your service". SEMPER FI
