“ *Mr. Bracey was the adopted father of my heart and I loved him so. Of course, the most thankful blessing that came from him was my best friend, Karen, who has the same infectious humor and loving spirit as her father. He was so funny and loving and always included me in his home, as part of his family. His stories and reminiscing were treasures to his heart. He was a man who loved his children and grandchildren more than life and cherished them. I cannot think of Mr. Bracey without smiling. He provided so many wonderful memories for me and I can only be thankful that I was able to enjoy him as a father and that my best friend was willing to share him with me. God has a beautiful way of introducing strangers and many, many years ago, my life was changed forever because I met Mr. Bracey and received kindness and love from him. I will always love him and hold him in my heart. -Bev*
