“ *Went to school with his brother, Bob. Bill got me to switch from Trumpet to Tuba in the band. I knew all 3 brothers and respected them all. Loved the Burdette family, including their mother and father. Their memories are fond in my mind. Prayers to the family.*

“ Having served with Bill on the USS Enterprise in the late 1970s, I can say without reservation that he was an exceptional Naval Officer. Refined, smart and witty are the adjectives I would use to describe him. He was the Officer of the Deck when I drove out on the pier in my green Cadillac convertible (illegally, of course) to report aboard and unload my gear. He was laughing then and he never let me forget it everytime we talked. He will be missed by me. May he rest in peace and may his family find peace and wonderful memories. William J. *Dearest Uncle Bill, you will live in my heart forever. The world is truly a better place because of you, and the legacy you have left behind. You were the kindest, most thoughtful and loving person. And I am honoured to have been able to say that you were my uncle. Your love is eternal and I shall never forget you.*
