“ *This kind of a funny one. Bill was our minister when Mike and I got married. Maybe years later he told me how nervous he was that day. So glad to have that memory and others. Like when we got back from honeymoon he and Gloria picked us up from airport and took us to a really nice restaurant in Virginia and we all had a great meal. And all times I saw him he always a gentle soul. Miss you Bill but we wont ever forget you.
I still think its funny HE was nervous at our wedding.*

He did not like speaking in front of a crowd. He did really good, despite his nerves. You were the one and only couple he did marry. Thanks for that memory :)

“ *Such a loving and caring husband. After a surprise set up for lunch by Patricia and Matthew for a reunion of best friends after not seeing their Mom for so many years. I watched as this loving man helped my best friend, his beautiful spouse from the car and to the car with such love and so gentle too since she was still recovering from surgery. My thoughts were how special his love is for Gloria. I will always have this memory in my mind and in my heart. They are of kindred spirit.*

“ *Daddy, I don't even know where to start. This is still so hard to believe. I know you are very loved and will be missed so badly. I promise I am trying to be strong for your future Grandbaby I know you were excited to meet. We get to find out the sex in 2 weeks. I know in my heart you will be in the room with us, but not being able to see you face is going to be hard. I can't stop thinking about you and cant stop crying. I will miss our lunch dates we had together, our trips to Mudd house, Surratt's house, and going to the Rain (Beatles Tribute) concerts. But I will hold all these memories in forever. You were a wonderful Husband to Mom, wonderful Father to Alicia and I, and wonderful Father-in-Law to Matt. I know you loved him like he the "Son" you never had. He loves you so much too. He has been a rock for me, and I know you are proud of him. I know you are no longer in pain and are up there watching over us. We love you and Miss you. Until we meet again....*

That was beautiful and yes you know your Dad is watching over you all and yes he is pain free..Called home way to soon is something we'll never understand but God has special plans for our loved ones ...He is safe in gods hands now and will forever look down on all his loved ones..And just by the things you and Alicia say I know your Dad was very proud of you both...So those are special memories you will carry and share with your children forever...May God be with you and keep you close in his arms I will keep you all in my thoughts and prayers ((Hugs))
