

## William Ndidi Coughlon

March 15, 2003 - August 15, 2021

On August 15, 2021 at 3:18AM, William Ndidi Coughlon, our beloved son and brother, lost his battle with Renal Medullary Carcinoma. William was an energetic 18-year-old man. He is a recent graduate of St. Mary's Ryken High School. William was an athlete who enjoyed playing basketball and was on the varsity soccer team at SMR. He was also a scholar. Will was planning on attending Temple University to study for his Doctor's of Physical Therapy. He was supposed to move in on the 16th of August. William was an intelligent, respectful, happy, caring, confident, competitive, loving, helpful, funny, and strong young man who was loved by his family, friends, doctors, nurses, and everyone who met him.

William is preceded by his grandfather, Dr. Godwin U. Obi and his uncle, Dr. Frank C. Obi. He leaves behind his father, Daniel Coughlon; his mother, Carmela Coughlon; his brother, Alexander Coughlon; his sister, Genevieve Coughlon; and his grandparents, James Coughlon, Marlene Coughlon, and Roseline Obi. He is also survived by his uncles, aunts, cousins, and the young woman he loved, Drew Pettis. May his soul rest in perfect peace.

“ *Carmela and Daniel, I am saddened to hear about the loss of your dear son. I am shocked and cannot imagine what your family is going through. To the brother and sister he left behind, I say, be comforted that he lived his life, though short. To Carmela and Dan, you were there for me, I will do the same, may you fortitude to bear this irreparable loss, in Jesus name we pray. God Bless*
