“ Pat, you have my deepest condolences along with the rest of the family on the loss of your dear husband, Squeaky. I always admired and enjoyed seeing the pictures and posts you put on Facebook of you and him....such a perfect couple! I also will never forget how in 1969 when my husband (Gerald) was taken from me after being in an auto accident when our son was only nine months old. Squeaky came up to me in the most warming and comforting way and said, "if there is anything at all I can do to help, please let me know". Those heart warming words brought me more peace than anyone will ever know. May he now R.I.P.

We (H.A. and I) always felt Squeeky and Pat were a couple of soul mates as we saw them years ago at the American Legion in La Plata. My recollections of Squeeky go back even before they wed to days when he worked at La Plata Shell and (before self-service pumps) was helpful and full of good advice as he moonlighted away from his SMECO work.

Having grown up with Squeeky and known him well I must say he was always a great guy and treated me well.
