“ *As the realization of your passing begins to sink in, I cannot imagine how I am going to continue my journey without you. For 54 years you were there to pick me up when I stumbled or fell and guide me through the trials and tribulations of this thing called life. You were there through good times and bad times. You were my shoulder to cry on, my friend, my advisor and BEST OF ALL MY DAD. Its going to be tough, but you shaped me over the years to be strong and taught me to "Don't sweat the things that I have no control over". It was so hard to watch you over the last 6 weeks as you began your new journey. To think that you would not be here forever was unimaginable, but hey... I had you in my life since my beginning so I shouldn't complain. I will cherrish every memory of you and will miss you terribly. Just remember as you continue your new journey I will always love you and Thank you for being my friend and my dad.*
