Billy was born on March 03, 1950 in La Plata, MD. He grew up living at Rock Point MD with lots of family and friends. He started school at Archbishop Neale then transferred and graduated in 1968 from La Plata High School. It was during his later school years that he joined the Cobb Island and La Plata Volunteer Fire Departments and remained active for over 30 years between the two companies. He held many offices within both and also President of the Charles County Vol. Firemen's Association. Billy also designed both fire departments' seals that are still proudly displayed today.

The Vietnam War made him decide to join the United States Navy and he proudly served 4 years. He trained to be an OT (Ocean Systems Technician) and served in Lewes DE and

Naples Italy. It was in Naples where he married his wife 53 years ago.

Upon returning home and finishing up his tour of duty, Billy went back to work at his awaiting job at AT&T. There he worked for 43 years, where he was actively involved with the "Night Watch" program which provided communications for the US President. His assignments took him literally around the world. He was very proud of the opportunity to serve his country in the US Navy and AT&T.
