“ PJ we will really miss you. You were a part of every function we had with our families. Thank you for being such a good Uncle to all of my grands. They are truly going to miss you. It's unbelievable to see your smiling face one day and then to know you are no longer with us. Thank you for taking such good care of Gina. It's going to be a hard struggle for her without you. You knew her every need and were always there to lend a helping hand to anyone. You never judged anyone. Always open-minded with everyone. We will miss you everyday. Love Linda

“ *Babe, You were my everything, my world, my confidant, my best friend for the past 11 years. We shared our secrets, our future plans, reminisced our memories and our love for the Lord. I will always remember all the fun times we had together and our belly laughs about nothing. You were a huge part of our family. You were like a dad to my children never once judging them. I will miss you dearly. I thank God that you spent your last few days spending time with me and babe it was THE best time, remember our saying forever never ends (FNE). I'll love you forever my handsome man, love always your green eyed princess and you better be the first person I see when I go into the light.*
