“ Bill was the kindest and best friend you could ever have. His famous meat mixture reminded me of my childhood-my mother made us kids something similar. Also Bill was always willing to help and donate until his health started to fail. I had notified the Upper Room Living Prayer Center last week and he had ten thousand people across the United States praying for him and strength for his family. I have donated to the Society of St. Andrew in Bill's memory to which 2,000 meals will be provided for hungry people. Both are national mission projects of the United Methodist Men in which Bill was a faithful member of many years. Bruce and Theresa Swain

“ I will always remember what a generous and helpful man he was. How his face lit up when he saw the grandkids and specially in his later years with the great grand babies. He was a very devoted dad and papaw! He was faithful to God and his family. He will be truly missed by all that knew him. What a very special angel he is now in heaven sitting with our savior. My love and prayers to the whole family.
