“ Dear Uncle Billy, you will be deeply missed. As I look back on past memories I still remember our time we spent time together in Florida, visiting with Sue and you coming to my home, sitting on the edge of my mattress, sitting so close to me I thought you might get in lap and just saying the words I love you girl. Those were times that I have cherished and will always hold dear to me. I always new the love that you held for me, just always know that I felt the same. I will miss you Uncle Billy, but I know that you are in Gods hands and at peace. With the deepest ❤️ love,

Joanne
