“ *A great uncle and friend who I believe would do anything he could to help you out .I will always remember how amazed I was as a young kid to see all the baseball trophies in the den at my grandparents house,they seem to be everywhere.I also use to like helping him out with moving a pool table,pinball machine,or whatever,because it was always an experience,usually with a brother,cousin,friend,I think we all liked to see him laugh at his own corny stuff. I am 100% sure that he is not only with his life long Guardian Angel in heaven.but he is also reunited with his parents,siblings and friends.God Bless you Uncle Daddy D, until we meet again.it was my great pleasure being your nephew and one with the Willett brothers and sisters.
