

Zachary Alan Jewell

October 16, 1975 - October 15, 2021

Zachary Alan Jewell was born in Babenhausen, Germany on October 16, 1975. He passed on October 15, 2021 at Georgetown Hospital at the age of 45.

When you think of Zach, you remember his smile the most, always contiguous, slightly mischievous, and genuine. He loved spending time with his family goofing off, playing games and sometimes just for fun a 48-hour road trip to Maine and back because he wanted to try lobster. Zach worked for Home Depot and enjoyed the people he worked with. He was kind, there to help, and willing to answer anyone's questions. He enjoyed figuring things out. If you went to him for technical help, you never knew how you were going to get your phone or gadget back. Once he read the manual front to back, and had his fun, he would take his time to teach you what he learned. He was a blessing to our family, always there when you needed him. He was greatly loved by friends and family and he will be missed much.

Zach is survived by his mother Carol (Mark Jewell Father deceased), his brother Derek and wife Monica Jewell, his brother Brian and wife Yoli Jewell, and his sister Jennifer and husband Keith Gifford, and by his many loved nieces and nephews Mark, Brian Jr., Charles, and Victoria Jewell, and Aaron and Makayla Gifford. And many aunts, Uncles and cousins.

Visitation will be on Friday, October 29, 2021 from 3:00 PM until time of Service at 5:00 PM at Raymond Funeral Service, 5635 Washington Avenue, La Plata, MD 20646. Interment will be private.

In lieu of flowers memorial contributes are asked to The America Heart Association, P.O. Box 5216, Glen Allen, VA 23058-5216.

“ *My deepest condolences, I've only been at Home Depot to have known Zach for about 5 months I cherish every single talk, every lesson , all his sarcasm. I'm so jealous of those who had more time. He would always entertain my weird interest in astrology and would always talk about how much he loved and would always protect his family. A pure soul and I miss him already.*

“ I'm deeply sorry for your loss. I've been with the depot for over 10 years and has known Zach since forever. He was one of the nicest people I've ever met. If you had a problem he would take the time to show you and teach you how to do it. He was full of knowledge and if he didn't know he would find out. He was well respected and known as the go to guy if you needed help. I told him he should've been on jeopardy with all the knowledge he had. He will be missed not just because he was a hard worker but a great person... FYI my name is Byron and I'm the guy in the pink shirt.

Praying for comfort for the whole family

“ I will always remember Zach as the super sweet, super quiet guy who always greeted me with the biggest smile every day in high school. He was my driving partner in Drivers Ed and although he didn't say much we could always laugh about how our driver's Ed teacher taught us to go through the McDonald's drive through so the teacher could order his lunch. Much love and many prayers of comfort to Zach's family during this time. I'm sure his huge smile will be missed.
